NOTES

1. Pursuant to General Circular Nos. 14/2020, 17/2020, 20/2020, 02/2021, 2/2022 and 10/2022 dated April 8, 2020, April 13, 2020, May 5, 2020, January 13, 2021, May 5, 2022 and December 28, 2022, respectively, issued by the Ministry of Corporate Affairs (MCA) (collectively referred to as 'MCA Circulars') and Securities and Exchange Board of India ('SEBI') Circular Nos. SEBI/HO/CFD/CMD1/CIR/P/2020/79, SEBI/HO/CFD/CMD2/CIR/P/2022/62 and SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated May 12, 2020, May 13, 2022 and January 5, 2023, respectively (collectively referred to as 'SEBI Circulars'), companies are permitted to hold the AGM through VC/ OAVM, without the physical presence of the members at a common venue. Accordingly, the 33rd AGM of the Company will be held through VC/ OAVM in compliance with the provisions of the Act and Rules made thereunder, the SEBI Listing Regulations read with the aforesaid Circulars. The deemed venue for the 33rd AGM shall be the Registered Office of the Company, i.e. H. No. 6-3-668/10/35 Durganagar Colony, Punjagutta, Hyderabad-500082, Telangana, India.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended) and in line with the Circulars, the Company is providing VC/ OAVM facility to its members to attend the 33rd AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL), as the authorised agency for facilitating voting through electronic means. The facility of casting votes by a Member using remote e-voting system as well as e-voting on the date of the AGM will be provided by CDSL.
3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being proposed to be held pursuant to the said MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Attendance Slip and Proxy Form are not attached to this Notice.
4. In pursuance of Regulation 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standard on General Meetings, details in respect of the Directors seeking appointment/ re-appointment at the AGM, form part of this Notice.

5. Pursuant to Section 91 of the Companies Act, 2013, the Register of Members and Share Transfer Books of the Company will remain closed from 25th September 2023 to 30th September 2023 (both days inclusive).
6. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders having 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
7. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution/ authorization letter to the Scrutinizer by email to rashida@rna-cs.com with a copy marked to Company i.e., accounts@ravileelagranites.com.

8. In line with the MCA Circulars stated above, the Notice calling the 33rd AGM has been uploaded on the website of the Company at [http://www.ravileelagranites.co./](http://www.ravileelagranites.co/) The Notice can also be accessed from the websites of the BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
9. The AGM shall be convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with aforesaid MCA and SEBI Circulars.
10. Members seeking any information or clarification on the accounts are requested to send their queries to the Company, in writing, at least one week before the date of the meeting. Replies will be provided in respect of such written queries at the meeting.

THE INTRUCTIONS FOR SHAREHOLDRES FOR REMOTE E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Wednesday, 27th September 2023 at 9.00 AM and ends on Friday, 29th September 2023 at 5:00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23rd September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

ANNEXURE-II**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

[Pursuant to Regulation 34 read with Para B of Schedule V of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015]

The Management at Ravileela Granites Limited (Ravileela/ The Company) is pleased to present the Management Discussion and Analysis Report which provides an insight of the Company's business, Industry structure, developments, outlook, opportunities, concern areas and performance of the Company with respect to the operations and other relevant information. This Report forms part of the compliance report on Corporate Governance.

Business of the Company

Ravileela Granites was founded in 1990 with a simple idea that the world deserved nothing less than the best Granites that is available in the mines around the states of Telangana and Andhra Pradesh and over a period Company has gained recognition for its dedication to producing top-tier granite products. The Company's unwavering focus on quality control and adherence to international standards have set it apart in a competitive market. Its commitment to quality has resulted in a loyal customer base. Ravileela has grown significantly in terms of quality, volume, and diversity, constantly striving for the best. Its cutting-edge plant, located on Prakasam District, Andhra Pradesh, is capable of handling massive volumes.

Ravileela continues to select a wide and exotic bouquet of granites in a spectrum of combinations to go well with all combinations and interiors, and is capable of effortlessly producing superior quality granite keeping with its motto of nothing but excellence.

Ravileela Granites has consistently invested in cutting-edge technology and machinery to improve processing efficiency and enhance product offerings. This commitment to innovation has allowed the company to stay ahead in a rapidly evolving industry.

Company has recognized the global demand for high-quality granite and has expanded its operations beyond US to the European market establishing a strong presence in Central and Eastern Europe. This strategic move has solidified its position as a global player.

A. Economic Overview

- **Global Economy:**

There has been a decline in the growth of the overall global economy from 3.4 percent in 2022 to 2.8 percent in 2023, is expected to be around 3.0 percent in 2024. Advanced economies have seen an especially pronounced growth slowdown, from 2.7 percent in 2022 to 1.3 percent in 2023. The year saw geopolitical uncertainty with the prolonged Russia-Ukraine conflict and economic challenges leading to disruptions in the global supply chain and elevated inflation with increase in commodity and energy prices. This prompted central banks to aggressively tighten their monetary policy, which further impacted economic activity.

- **Indian Economy and Outlook**

The World Bank now fears that the ongoing slump in global economic growth will likely result in a “lost decade.” Despite this gloom, many market analysts believe that this could well be India’s decade. And there are enough reasons and data to back this claim. Recent data revisions by India suggest the economy has fared better than previously believed despite continuing global uncertainties. The International Monetary Fund (IMF) expects India to grow by 5.9% in FY 2023–24 and by an average rate of 6.1% over the next five years.

- **Government Initiatives**

A number of initiatives have been undertaken by the Government of India with the hope of incentivizing real estate purchases. The announcements made in the Union Budget 2022-2023 will help in creating a thriving atmosphere in the real estate sector. The government continues to prioritize the affordable housing segment and are looking at ways to strengthen the existing financing systems to provide liquidity to real estate projects.

B. Industry Structure and Development:

The expansion of the granite business is intimately linked to the country’s real estate market. During the year under review, India’s real estate sector is witnessing a healthy increase in demand in 2022-23 and this momentum is expected to hold for the rest of the year. From commercial spaces to the residential market, the overall market outlook is a bright one for the real estate industry.

Buoyed by these factors, the sector is likely to make a strong comeback. The industry is additionally to benefit from a regime of low interest rates, coupled with duty waivers (in some states), realistic property pricing and attractive offers leading to affordable synergy.

The rapid growth in real estate, combined with government efforts and a shift in consumer attitudes, has aided in increasing demand for granite.

- **Granite Industry**

Granite is one of the oldest and most sought-after stone in world. It was used in building monuments for thousands of years and now with the advent of technology for cutting and polishing, its use has further extended for decorative purposes. Granite due to its high compressive strength, longevity and beauty finds applications in building material and decorative purposes. Its usage in kitchen countertop, bathroom and stairs has significantly increased over the last few decades.

Globally granite industry is dominated by a few granite producing countries with huge granite reserves. Top granite producing countries are China, Brazil, India, Italy and Saudi Arabia. On the demand side USA is largest consumer of granite and its demand is largely satisfied by imports from Brazil, India, China and other countries. Europe is the other large market for granite and with limited reserves of its own meets its demand from imports.

India ranks second after China and comprised of 16% of global exports in 2020.

- **Indian Granite Industry**

India possesses a wide variety of natural stones including granite, marble, limestone, sandstone, slate and quartzite. It has more than 20% of the world's granite reserves and they are spread across the country. India possesses large variety of over 200 shades, some of which are quite popular across world. Granite Industry plays a vital role in the economy of granite producing states like Tamil Nadu, Andhra Pradesh, Telangana, Karnataka and Rajasthan. Indian granite industry generates huge employment in rural areas with the economic value pegged with it estimated at \$ 40 billion.

Indian granite industry produces and exports vast variety of granite with high quality spread across many colors. India is one of the top exporters of granite stone globally.

- **About the Company:**

Ravileela Granites Limited is one of the well known granite exporter from India. The Company has been in granite exports business for more than 30 years. It exports to more than 5 countries across the world and has a plant located in Prakasam District, Andhra Pradesh. Company has received numerous awards and recognitions for its exports certification from Ministry of Commerce and Industry

Company has built a wide product portfolio of stones over the years. It processes granite blocks into slabs and cut-to-size tiles for large construction projects. It has installed capacity of 250000 square meters for granite slabs in Prakasam Plant.

- **Business Practices:**

- **Quality Assurance:** The industry has made substantial investments in modern machinery and technology e.g. Multi wire to improve the quality of granite products, ensuring compliance with international standards.

Our latest plant in Ongole has state of the art machinery to ensure we produce the best quality granite with all the latest finishes and textures catered to the export market in US and Europe including cut to size projects.

- **Sustainable Quarrying:** Environmental concerns have led to improved quarrying practices, with an emphasis on minimizing the ecological impact and adhering to government regulations.

This has also led to challenges in procuring quality material.

Our company is able to overcome this due to our long standing relationships with quarry owners.

- **Market Diversification:** We have diversified our product portfolios to include a wider range of granite varieties, catering to diverse customer preferences and global markets. Post Covid we have invested extensively in International marketing and sales and also participated in Global Trade fairs promoting our granite products.

- **Management Philosophy**

Ravileela's management philosophy revolves around three core principles:

- **Quality Assurance:** The Company places paramount importance on delivering granite products that meet or exceed customer expectations. Rigorous quality control processes are embedded throughout the production chain.
- **Sustainability:** Company is committed to sustainable quarrying and processing practices. It actively participates in eco-friendly initiatives to minimize its environmental footprint.
- **Customer-Centric Approach:** Customer satisfaction is at the heart of the company's operations. It maintains transparent communication with clients, offers customized solutions, and ensures timely deliveries.
- **Future Outlook**

As Ravileela Granites enters its fourth decade in the industry, it remains poised for continued success. The company anticipates further expansion into emerging markets, an increased focus on sustainable practices, and the introduction of innovative product lines to cater to evolving customer needs.

Ravileela Granites' journey as a premium processor of granite for three decades exemplifies its commitment to quality, sustainability, and customer satisfaction. It stands as a testament to the company's enduring legacy in the Indian granite industry.

The Indian granite industry continues to evolve, adapting to market dynamics and sustainability imperatives. With prudent management practices, a focus on quality, and exploration of new opportunities, the industry is well-positioned to maintain its leadership in the global granite market.

Performance during the year:

During the financial year ended as on 31st March 2023, the Company recorded total income of Rs. 3114 lakhs which was marginally lower as against the previous financial year, i.e., Rs. 3605 lakhs and has incurred Net loss of Rs. 164. lakhs as against previous financial year net profit of Rs. 159.94 lakhs.

FY 2023 started on a good note for the company. However, the company had to face challenges due to increase in freight charges. The performance of the company was further impacted due to shortage of shipping containers. Non-availability of empty containers disrupted the supply chain across the world and impacted global trade over extended period of time.

Currency Appreciation:

Company generated more than 95% of its revenue in FY 2023 from exports and currency fluctuations can impact the competitiveness and demand for Indian currency. The relative currency appreciation of Indian Rupee vis-a-vis competing nations like Brazil has impacted the business negatively in the past.

The Company currently exports to over 5 countries. This helps in diversification of risks and any adverse currency movement in one country will have a lower impact on company's business. Some shades are only found in India and their demand is relatively inelastic and is not impacted by the currency movements. The Company is focused on exporting such colors and is also aiming to increase its sales in the domestic market.

Opportunities and Threats:

Ravileela Granites has established itself as a prominent player in the International granite industry, boasting an impressive three-decade ++ track record of excellence in processing and delivering premium granite products. Over the years, the company has consistently upheld its commitment to quality, innovation, and sustainability, earning a commendable reputation both domestically and on the global stage. Opportunities include the following:

- **Export Potential:** The global demand for granite products remains robust, presenting an opportunity for expansion into new international markets.
- **Value Addition:** Investing in downstream processes like granite fabrication and cut to size production will enhance our profitability.
- **Sustainability Initiatives:** Embracing sustainable practices can improve brand image and access environmentally conscious markets is what we endeavor to accomplish at Ravileela.

Some of the threats are as follows:

- **Market Fluctuations:** The industry is exposed to global market fluctuations, affecting both demand and prices. Forex fluctuations are a major concern.
- **Environmental Compliance:** Stricter environmental regulations have led to compliance challenges and increased operational costs of quarries thus resulting in higher raw material costs.
- **Competitive Global Landscape:** Competition from other granite-producing nations necessitates continuous innovation and cost-efficiency.

Risks and Risk Management:

Risks are an inherent part of business which cannot be avoided but its robust identification and management can overcome its effects.

The Company derives most of its revenue from international market. The competitive landscape, lack of manpower, technologies up-gradation in the peer group and non-availability of working capital may adversely affect the business operations. The Company is ensuring to mitigate these risks through proper planning and management of resources.

Change in Consumer Preference as the Stone industry is very dynamic designs and colors preference keep changing. Demand for products, colors and shades depend upon the trend in industry. The demand for engineered stone has increased at the expense of natural stones, which includes granite.

The Company has in place a designated Risk Management policy which is designed to overcome adverse industry fluctuations to successfully flourish the business at a reputable pace. The Company provides updates on risk management to the Audit Committee of the Board of Directors of the Company on a regular basis.

A comprehensive and integrated risk management framework forms the basis of all the de-risking efforts of the Company. Formal reporting and control mechanisms ensure timely information availability and facilitate vigilant and in-time risk management.

The Company thereby follows well-established and detailed risk assessment and minimisation procedures, which are periodically reviewed by the Board.

The Company has laid down a well-defined risk management mechanism covering risk mapping, risk exposure and risk mitigation process.

The decades of experience in this industry is helping it to sustain even extremely challenging situations

Segment Wise Performance:

As the Company is dealing in only one product, the same is not applicable.

Internal Control systems & adequacy:

We have devised comprehensive internal control systems, commensurate with the size and nature of the business and industry in which we operate, by instituting a comprehensive documentation system for all our operational and financial functions. The internal control systems are built in compliance with applicable laws and statutes. The systems ensure adequate safeguard of assets and efficient productivity at all levels. The control systems are crucial for securing sensitive data, easing the audit process, maintaining proper accounting records, reliable financial reporting, monitoring operations, conservation of assets, preventing frauds and errors, executing authorized transactions, safeguarding assets from unauthorized use and ensuring compliance with corporate policies.

Our internal audit team periodically reviews the adequacy of the internal control framework, and ensures it abides by all applicable rules and regulations. Any deviations or observations thus encountered are discussed with the Management and the Audit Committee. We keep a close eye on the internal control systems through periodic audits by the internal audit team. Any recommended measures and suggestions for improvement are duly considered. We can ensure robustness of our internal control systems as majority of the branches are electronically integrated with the Head Office. This ensures strict business compliance in accordance with applicable laws and statutes.

Outlook:

The Company has shown growth in sales and profit in spite of very challenging business conditions. Company is cautiously positive for better results in the coming year notwithstanding issue with world-wide supply chain issue presently marring our operations.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH 2023**

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To
The Members
Ravileela Granites Limited
H. No. 6-3-668/10/35
Durganagar Colony, Punjagutta
Hyderabad-500082
Telangana, India

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Ravileela Granites Limited (CIN: L14102TG1990PLC011909) (hereinafter referred to as “the Company”) for the Financial Year ended on 31st March 2023. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on 31st March 2023 complied with the statutory provisions listed hereunder and also that the Company has proper Board process and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2023, according to the provisions of:

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF Ravileela Granites Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Ravileela Granites Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year ended on that date, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How the Matter was addressed in our Audit
<p>Revenue Recognition - Recognition of the company's revenue is complex due to several types of Export sales contracts.</p> <ul style="list-style-type: none"> • We focused on this area as recognition of revenue involves significant judgement and estimates made by Management including, whether contracts contain multiple performance obligations which should be accounted for separately and the most appropriate method for recognition of revenue for identified performance obligations. This comprises allocation of consideration to the individual performance obligations, assessing whether performance obligations under export sales contracts are satisfied at a point in time or over time. Further, it comprises the point in time when transfer of control has occurred regarding generation and sale of electricity which are accounted for over time. • The Company has followed Ind AS-115 for recognizing revenue in the financial statements for the financial year 2022-23. 	<ul style="list-style-type: none"> • We reviewed the Company's implementation of Ind AS 115, including changes to procedures, accounting guidelines, disclosures, and systems to support correct revenue recognition. We reviewed and discussed the group accounting policy, & disclosures with Management, including the key accounting estimates and judgements made by Management. • We tested the relevant internal controls used to ensure the completeness, accuracy and timing of revenue recognized. • We evaluated the significant judgements and estimates made by Management in applying company's accounting policy to a sample of specific contracts and separable performance obligations of contracts, and we obtained evidence to support them, including details of contractual agreements, shipping bills, purchase orders, etc. For the contracts selected, we inspected original signed contracts and reconciled the revenue recognized to the underlying accounting records. We obtained a sample of Management's calculations for the recognition of revenue related to generation.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to the Board's Report and Shareholder's information but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance

with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- (a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal financial controls relevant to the audit to design audit procedures that are appropriate in the circumstances.

Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.

- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) Proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report agree with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position in its standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring the amounts required to be transferred, to the Investor Education and Protection Fund by the Company.

- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) The Company has not declared or paid any dividend during the year in accordance with Section 123 of the Companies Act, 2013.
- v. As proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the company only w.e.f. April 1, 2023, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable.

Annexure A to the Independent Auditors' Report

(Referred to in Paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report to the members of Ravileela Granites Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a)
 - A. The Company has been maintaining proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - B. The Company has maintained proper records showing full particulars of Intangible assets.
 - (b) The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets by which Property, Plant and Equipment and right-of-use assets are verified in a phased manner over a period of one year. In accordance with this program, certain Property, Plant and Equipment were verified by the Management during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) Based on our examination of the records of the Company, the title deeds of immovable properties (if any) (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in the standalone financial statements are held in the name of the Company.
 - (d) The Company has not revalued its Property, Plant and Equipment (including right-of-use assets) or intangible assets or both during the year. Accordingly, clause 3(i)(d) of the Order is not applicable.
 - (e) There are no proceedings which have been initiated during the year or are pending against the Company as at 31st March, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

- ii.
- (a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit and stocks lying with third parties. For stocks lying with third parties at the year end, written confirmations have been obtained. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed.
- (b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company except for difference in Quantity of 1,15,187 (in Sq ft) and in price by 50 (per sqft) in Q4 as follows:

Stock as per Bank Statements	Stock as per Books	Reasons for Variance
21,62,96,200	20,27,98,454	Discrepancy in Quantity due to casting error and discrepancy in value due to classification of certain non-direct expenses as direct expenses.

- iii. The Company has made investments in but has not provided guarantees or security / granted loans or advances in the nature of loans, secured or unsecured loans to companies, firms, Limited Liability Partnerships, and other parties. Accordingly,
- (a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to Companies, Firms, Limited Liability Partnerships, any other entity during the year. Accordingly, clause 3(iii)(a)(A) and 3(iii)(a)(B) of the Order is not applicable.
- (b) In our opinion, the investments made and the terms and conditions of the grant of loans during the year are prima facie, not prejudicial to the Company's interest.

Particulars	Amount
A. Aggregate amount granted during the year	-
Subsidiary	Nil
B. Balance Outstanding as at the Balance Sheet date in respect of the above cases	INR 3,47,37,900

- (c) The Company has not granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. Accordingly, clause 3(iii)(c) of the Order is not applicable.
- (d) The Company has not granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. Accordingly, clause 3(iii)(d) of the Order is not applicable.
- (e) The Company has not granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties. Accordingly, clause 3(iii)(e) of the Order is not applicable.
- (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Accordingly, clause 3(iii)(f) of the Order is not applicable.

The Company has made investments but has not given security or provided any guarantee or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.

- iv. The Company has not given any loans or guarantees/ made any investments within the meaning of section 185 and 186 of the Companies Act, 2013. Accordingly, clause 3(iv) of the Order is not applicable.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits as per the directives issued by the reserve bank of India and sections 73 to 76 of the Companies Act, 2013 and the rules thereunder. Accordingly, clause 3(v) of the Order is not applicable.

vi. The Central Government has not prescribed the maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Accordingly, clause 3(vi) of the Order is not applicable.

vii. In respect of statutory dues:

(a) The Company is regular in depositing undisputed statutory dues Goods and Service tax, Provident fund, Employees' State Insurance, Sales Tax, Service Tax, Duty of Custom, Duty of Excise, Value Added Tax, Cess, and any other statutory dues except for Income Tax and Tax deducted at source. The following are the details of the Dues that have been outstanding for a period of more than 6 months from the date they become payable, as on the last day of the financial year:

Statutory Dues	Amount Due
Income Tax Arrears	INR 73,80,591
TDS u/s 192B	INR 15,01,890

viii. The Company does not have any transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 OF 1961).

ix.

(a) The Company has not defaulted in the repayment of loans or borrowings and the interest thereon.

(b) The Company has not been declared a willful defaulter by any bank or financial institution or lender or government or government authority. Accordingly, clause 3(ix)(b) of the Order is not applicable.

(c) The Company has applied for the term loans for the purpose for which the loans were obtained.

(d) The Company has not utilized the funds raised on a short-term basis for long-term activities.

(e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates and joint venture as defined in the Act. Accordingly, clause 3(ix)(e) of the Order is not applicable.

(f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, associates and joint ventures. Accordingly, clause 3(ix)(f) of the Order is not applicable.

x.

- (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, clause 3(x)(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

xi.

- (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this report.
- (c) The Company has not received any whistleblower complaints during the year. Accordingly, clause 3(xi)(c) of the order is not applicable.

xii. The Company is not a Nidhi company. Accordingly, clause 3(xii) of the Order is not applicable.

xiii. The Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with related parties, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

xiv. In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

xv. In our opinion, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. The Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.

In our opinion, The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clauses 3(xvi)(a), 3(xvi)(b) and 3(xvi)(c) of the Order are not applicable.

In our opinion, there is no Core Investment Company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company.

We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. There are no unspent amounts towards Corporate Social Responsibility (CSR) on any projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) and (6) of Section 135 of the said Act. Accordingly, clause 3(xx)(a) and 3(xx)(b) of the Order is not applicable for the year.

Annexure B to the Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Ravileela Granites Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Ravileela Granites Limited ("the Company") as of 31st March 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and

their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (a) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 Corporate Information

Ravileela Granites Limited is a listed company domiciled in India and incorporated under the provisions of the Companies Act, 1956 on 29th October, 1990 and is situated at H. No. 6-3-668/10/35 Durganagar Colony, Punjagutta Hyderabad TG 500082 IN. The company was listed on the Bombay Stock Exchange on the 18th of November 1993. The Company is engaged in manufacturing, processing and trading of granite slabs / tiles, marble slabs / tiles. Ravileela offers customers a wide range of polished Indian granite sourced from quarries.

2 Statement of Compliance

These financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time as notified under section 133 of Companies Act, 2013, the relevant provisions of the Companies Act, 2013 ("the Act") and the guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

3 Basis of Preparation

These Standalone financial statements are prepared under the going concern basis and at historical cost convention on accrual basis except for certain financial instruments which are measured at fair values and Defined Benefit Plans which are measured as per actuarial valuation.

The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Company's Financial Statements are presented in Indian Rupees (INR), which is also its functional currency and all values are rounded to the nearest thousands ('00000), upto 2 decimal places except when otherwise indicated.

4 Significant Accounting Policies

(a) Use of estimates and judgments

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of

assets, liabilities and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in future periods affected.

(b) Property, Plant and Equipment

Property, plant and equipment are stated at acquisition or construction cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the management. Items such as spare parts, standby equipment and servicing equipment are recognised as PPE when these are held for use in the production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise, such items are classified as inventory.

Capital work-in-progress includes cost of property, plant and equipment under installation/under development as at the reporting date.

The charge in respect of periodic depreciation is derived at after determining an estimate of an asset's expected useful life in accordance with Schedule - II as prescribed by Companies Act, 2013 and the expected residual value at the end of its life. The Company depreciates property, plant and equipment over their estimated useful lives using the straight line method. The estimated useful lives of assets are as follows:

Particulars	Years
Computer and other equipment	3
Software	5
Electrical Equipment	10
Office Equipment	5
Building	30
Plant and Machinery	15
Vehicles	8-10
Furniture and Fixtures	10

For all existing depreciable assets, the useful lives have been amended to bring them in line as prescribed by Schedule - II of the Companies Act 2013.

The determination of the useful life, in cases where it is not in accordance with Schedule-II, relies on technical guidance provided by professionals with relevant expertise and has been disclosed appropriately.

Also, useful life of the part of PPE which is significant to the total cost of PPE, has been separately assessed and depreciation has been provided accordingly.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end. The useful lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Depreciation on additions is provided on a pro-rata basis from the month of installation or acquisition, and in case of a new Project, from the date of commencement of commercial production. Depreciation on deductions/disposals is provided on a pro-rata basis up to the month preceding the month of deduction/disposal.

(c) Treatment of Expenditure during Construction Period:

Expenditure, net of income earned, during construction (including financing cost related to borrowed funds for construction or acquisition of qualifying PPE) period is included under capital work-in-progress, and the same is allocated to the respective PPE on the completion of construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other Non Current Assets".

(d) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/depletion and impairment losses, (if any). Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the Intangible Assets.

Subsequent costs (if any) are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is as under:

- SAP Upgrade License/ Implementation fees is amortised over a period of 60 months.

The amortisation period and the amortisation method for Intangible Assets with a finite useful life are reviewed at each reporting date.

(e) Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current or noncurrent as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realisation in cash and cash equivalents, 12 month period has been considered by the Company as its normal operating cycle.

(f) Financial Assets

All financial assets are recognised initially at fair value. However, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset are added to the fair value. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

(g) Impairment

(g.1) Impairment of Financial Assets

All financial assets are recognized initially at fair value (plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset). However, trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. In case of financial assets, the Company follows the simplified approach permitted by Ind AS 109 –Financial Instruments – for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk of trade receivable. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

(g.2) Impairment of Non-Financial Assets

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite lives may be impaired. If any such impairment exists the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Intangible assets, (if any) not yet available for use, are tested for impairment annually at each balance sheet date, or earlier, if there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset (or cash generating unit) for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit and Loss.

(h) Non-current Assets Held for Sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable.

A sale is considered as highly probable when decision has been made to sell, assets are available for immediate sale in its present condition, assets are being actively marketed and sale has been agreed or is expected to be concluded within 12 months of the date of classification. Non-current assets held for sale are neither depreciated nor amortised.

Assets and liabilities classified as held for sale are measured at the lower of their carrying amount and fair value less cost of disposal and are presented separately in the Balance Sheet.

(i) Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if

- i. the contract conveys the right to control the use of an identified asset.
- ii. the Company has substantially all of the economic benefits from the use of the asset through the period of lease and;
- iii. the Company has the right to direct the use of the asset.

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use assets is subsequently depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The lease liability is measured at amortised cost using the effective interest method. The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

(j) Borrowing Costs

Borrowing Costs include interest and amortisation of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use, are capitalised as part of the cost of the respective asset. All other borrowing costs are expensed, in the period they occur, in the Statement of Profit and Loss.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

(k) Government Grants

Government Grants are recognised when there is a reasonable assurance that the same will be received and all attaching conditions will be complied with. Revenue grants are recognised in the Statement of Profit and Loss. Capital grants relating to specific Tangible or Intangible Assets are recognized as income on a systematic basis over the expected useful life of the related asset. Other capital grants in the nature of promoter's contribution are credited to capital reserve. In case a grant is received for a non-monetary asset, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life.

(l) Revenue Recognition

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract.

Revenue is recognized to depict the transfer of promised products or services to customers. Revenue is measured based on the consideration to which the Company expects to be entitled in a contract with a customer and excludes amount collected on behalf of third party.

Revenue from sale of goods:

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. Revenue is net of returns, trade discounts and goods and services tax. Export sales are recognised on the date of the receipt/shipped on board signifying transfer of risks and rewards of ownership to the buyer as per terms of sale and initially recorded at the relevant exchange rates prevailing on the date of the transaction.

(m) Inventories

Inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of

purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

Raw materials, stores and spare parts, and packing materials are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.

Cost of finished goods, work-in-progress, raw materials, chemicals, stores and spares, packing materials, trading and other products are determined on weighted average basis.

In the absence of cost, waste/scraps is valued at estimated net realisable value. Obsolete, defective, slow moving and unserviceable inventories, if any, are duly provided for. Proceeds in respect of sale of raw materials/stores are credited to the respective heads.

(n) Cash and Cash Equivalents

Cash and Cash Equivalents comprise cash in hand and cash at banks, including fixed deposit with original maturity period of three months or less and short-term highly liquid investments with an original maturity of three months or less.

Cash and bank balances also include fixed deposits and other bank balances which are unrestricted for withdrawal and usage. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

(o) Foreign Currency Transactions

Foreign currency transactions are recognized at the rates of exchange prevailing on the dates of the transaction. Liabilities and assets in foreign currency are recognized in the accounts as per the following governing principles:

Non-monetary items denominated in a foreign currency and measured at historical cost are not re-translated. The related revenue and expense are recognized using the same exchange rate.

At the end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the rate prevailing at that date.

Exchange differences on monetary items are recognised in the Standalone Statement of Profit and Loss in the period in which these arise except for:

- a) Exchange differences on foreign currency borrowings, (if any) relating to assets under construction for future productive use, which are included in

the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings; and

- b) Exchange differences relating to transactions entered into to hedge certain foreign currency risks.

(p) Taxes on Income

The tax expenses for the period comprises of current tax and deferred income tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income. In which case, the tax is also recognised in Other Comprehensive Income.

(i) Current Taxation

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

(ii) Deferred Taxation

Deferred tax is recognised based on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilised. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

(q) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

(r) Contingent Assets and Liabilities

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

Contingent assets are not recognised in the financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

(s) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(t) Short-Term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(u) Post Employment Benefits**(i) Defined Contribution Plans**

The Company recognises contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit

payable to the scheme is recognised as a liability. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

(ii) Gratuity

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (if any)(excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to statement of profit and loss in subsequent periods.

Past service costs are recognised in statement of profit and loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Company recognises related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and nonroutine settlements; and
- Net interest expense or income.

(iii) Compensated Absence Policy:

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulating compensated absences and utilise it in future periods or encash the leaves during the period of employment or retirement or at termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognises accumulated compensated absences based on actuarial valuation using the projected

unit credit method. Non-accumulating compensated absences are recognised in the period in which the absences occur.

(v) Investments

The Company has accounted for its investments in Subsidiaries, associates and joint venture at cost less impairment loss (if any). The investments in preference shares with the right of surplus assets which are in nature of equity in accordance with Ind AS 32 are treated as separate category of investment and measured at FVTOCI.

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'. However, dividend on such equity investments are recognised in Statement of Profit and loss when the Company's right to receive payment is established.
